Description

Luzien is a round pendant fixture whose design pays homage to the authentic, industrial factory lamp. The perfectly balanced proportions and the rich glow of warm light that flows over the inside of the fixture make Luzien an appealing pendant fixture with a refined vintage look. Luzien is available with an E27 lamp-holder to take a beautifully designed LED filament lamp. In addition, an integral LED solution is available where the opal diffuser ensures a sleek effect and a high efficiency.

Specifications (453096)

Beam angle:	nvt	Weight:	1,10 kg
Input:	230V 50-60Hz AC	Dimmable:	DIMMABLE DEPENDENT ON BULB
Lamp:	A60	Wattage:	1 x 40W
Location:	Indoor		
Application:	Ceiling		

Finishes

Finish

- BLACK + GOLD
